

# imageRUNNER C1225iF

## Productive and cost effective A4 colour multifunctional

The imageRUNNER C1225iF is a feature rich A4 colour multifunctional device, providing fast and efficient document handling 'out of the box' so you can focus on your business priorities.

- Powerful A4 colour multifunctional with print, copy, colour scan, send and fax functionality, ideal for demanding small businesses
- Simple and user friendly operation with the 8.9 cm colour touch and swipe LCD display
- Canon's V<sup>2</sup> colour (Vivid and Vibrant) imaging technology ensures documents impress and stand out from the rest
- Seamlessly fits into your office environment with network connectivity and supporting IT standards such as PCL and Genuine Adobe PS
- Increase productivity with up to 1,100 sheet capacity and a Duplex Automatic Document Feeder (DADF)
- Scan and Send documents directly to a variety of destinations including email and shared folder
- Flexible mobile printing and scanning capabilities such as Apple AirPrint™, Mopria printing as well as mobile printing and scanning apps, support mobile worker efficiency
- Out of the box easy install; users can access the set-up guide via the user interface
- Consumables can be changed easily reducing down-time
- Standard toner included in the box giving up to 12 months colour printing<sup>1</sup>
- Giving you peace of mind with Canon's standard warranty
- Energy consumption as little as 1 watt in sleep mode
- Compact and efficient space saving design
